## ADVANCED DRIVER ASSISTANCE SYSTEMS (continued)

- Forward Sensing System
- Headlamps – Autolamp (Automatic On/Off)
- Connected Built-In Navigation with 3 Years of Service, EV Trip Planner, Pinch-to-Zoom Capability, Live Traffic, Predictive Destinations and Route Guidance

**Note:** Ford BlueCruise includes a complimentary 90-day trial. Choose option 18B at time of ordering for 3-years of service or go to [ford.com/connectedservices](http://ford.com/connectedservices) to purchase extended services after trial.

**Note:** Navigation service requires SYNC@4 and FordPass Connect (optional on certain vehicles), complimentary connect service and the FordPass app (see FordPass Terms for details). Customer receives a complimentary 3-year trial of navigation services when an eligible vehicle is added to member's FordPass account. Trial period begins with new vehicle warranty start date. At the end of the complimentary period, access to connected navigation services will be discontinued.

Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features.

FordPass App, compatible with select smartphone platforms, is available via a download. Message and data rates may apply

Trial length and service availability may vary by model, model year or trim.

**Details:** SiriusXM audio and data services each require a subscription sold separately, or as a package, by Sirius XM Radio Inc. Your SiriusXM service will automatically stop at the end of your trial unless you decide to subscribe. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at [www.siriusxm.com](http://www.siriusxm.com). All fees and programming subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Current information and features may not be available in all locations, or on all receivers. Satellite and streaming lineups vary slightly.
